

Adopt a Garden

A decorative graphic consisting of a red heart at the top, a stem with two pink flowers and two white flowers, and another red heart at the bottom.

Like to garden? Love to play in dirt?  

The BNAC grounds have many gardens that need your help.

Sign up to adopt a garden (or portion of a garden).

A volunteer from the BNAC will help you select your garden and give tips on how to maintain it.

You can then work in your free time at your pace. Do it yourself or work with a friends or family members.

You can bring beauty to your community.

*To adopt a garden
call the BNAC 716-677-4843 or
email to BurchfieldNAC@gmail.com*
